

## Environmental Policy Statement

Midwest Formwork Limited is a professional and environmentally conscious organisation, which acknowledges the impact that our operations may potentially have on the environment. The clear objective of Midwest Formwork Limited is to minimise any impact on the environment by:

- Preventing pollution, reducing waste and ensuring, wherever practicable, that measures are implemented to protect and preserve natural habitats, flora and fauna
- Considering the effects that our operations may have on the local community
- Taking action to eliminate or reduce, as far as practicable, any potentially adverse environmental impacts
- Seeking to work in partnership with the community by behaving in a considerate and socially responsible manner
- Ensuring effective and expedient incident control, investigation and reporting.

Midwest Formwork Limited will fully comply with the duties placed upon it within the requirements of legislation, whilst at all times complying with, as a matter of best practice, the requirements and duties set out within Approved Guidance as issued by the Environment Agency and other organisations. As part of the company's commitment to maintaining the highest levels of environmental management, it is the intention that the company will work towards environmental management systems compliant with ISO14001 and SpeCC.

All employees and sub-contractors are expected to co-operate and assist in the implementation of this policy, whilst ensuring that their own works, so far as is reasonably practicable, are carried out without risk to themselves, others or the environment. This includes co-operating with management on any environment related matter.

Midwest Formwork Limited will take all practical steps to ensure that potential hazards and risks to the environment are identified and that suitable and effective preventive and control measures are implemented. All employees will be provided with the necessary resources, equipment, information, instruction and training to fulfill the requirements of this policy.
